Dear Professor Deewek,

I hope you are doing well. I am writing to respectfully request an extension for the submission of my assignment for computer science, which is currently due on 31st March 2026.

Over the past few days, I have been dealing with health issues, including fever and fatigue, which have affected my ability to concentrate and complete the assignment on time. Despite my efforts to keep up with my work, I have not been able to finish it to the standard I would like to submit.

I kindly request an extension until 10 April 2026. I assure you that I will utilize this additional time effectively to complete and submit quality work.

Thank you for your understanding and consideration. I look forward to your response.

Yours sincerely,
